PRELIMINARY AMENDMENT

Sir:

Prior to examination of the above application, please enter the following amendments.

IN THE CLAIMS

Insert new claims 36-45 as follows:

36. (New) A method of actuating an igniter comprising a housing; a stop member within said housing; a fuel reservoir within said housing; a nozzle in fluid communication with said reservoir; an actuating assembly within said housing for controlling the supply of fuel from said reservoir to said nozzle and for igniting fuel discharged from said nozzle; and a trigger including a trigger body and a slider coupled to said trigger body, said method comprising moving said slider along said

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class mail in an envelope addressed to Commissioner for Patents, Washington, D.C. 20231 on April 2, 2002.
